Common Features Description

Verified And Genuine Buyer Lead

We'll provide your company with 360 verified leads (30 per month) along with 4 Golden Buy Leads. This will aid in the growth and development of your business. Sales-qualified leads help you in saving time and effort.

Dedicated Catalogue Page

Your company will have a separate and dedicated digital catalogue page on our website. Your company's description, products, services, and contact details will be displayed on this catalogue page. We will be creating an eye-catching, aesthetically balanced, and functionality-rich digital catalogue page for your company.

Business Website

Your business website is an integral part of a larger marketing plan. Your website is usually the cornerstone of an online marketing plan, providing a presence for your business. It's the online equivalent of owning a high street shop or prominent office. Our team of experts will develop an engaging and exclusive business static website that will help you reach more potential customers. Your website will be the digital face of your company and we will make sure, it appears perfect.

Domain and Hosting Services

We will provide complimentary proper domain and web hosting services for your business website. Your business website developed by our team will also be hosted. You will be provided with the control panel of the website.

www.tradeheaven.net

Common Features Description

Live Chat on the Website

We will provide a "Live Chat" feature on your website. This will allow the visitors to engage with your company and resolve their queries, if any. This enhances the authenticity of your business and builds trust in your customers.

Google My Business Listing

A Google My Business listing provides exposure and enhances the visibility of your business, helping you reach potential customers. Google reviews are also a booster for SEO activities.

Priority Listings

You'll get to add a maximum of 60 products/services in the priority listings section. This will help you in highlighting your top products and attracting new buyers.

Dedicated Account Manager

We will assign you a dedicated account manager who will provide support to your company and resolve all your issues throughout the service period. Your account manager will ensure that you utilize our services to the fullest, and will help you in maintaining your company profile.

Products in the Catalogue

You'll be able to list 60 products on your catalogue page giving you the freedom to advertise maximum products.

Trade Analyst Data

Trade Data and Analysis Top Markets The International Trade Administration, as well as other organizations, publishes a variety of trade-related statistics and tools for public use. Go to the latest data: Monthly Infographic – Interactive dashboard with an overview of U.S. goods and services trade statistics.
