Trade Protection & Payments — **How does Trade Heaven Trade Protection & Trade Assurance protect buyers?**

Buyer deposit funds are held in secure, neutral Swiss trade protection accounts. Payment is only released to the supplier once verified shipping documents (Bill of Lading) and independent SGS/TÜV quality inspection reports are confirmed.

Factory Verification — **What is the difference between Gold and Silver verified factories?**

Buying & RFQs — **How do I post a Buying Requirement (RFQ) and receive competitive bids?**

trade protection & Compliance Guarantee

Why Enterprise Importers & Fact es Choose Trade Heaven

Eliminating international trade risk through certified multi-currency trade protection vaults, third-party SGS factory inspections, and automated Proforma Invoice (P/I) reconciliation.

100% trade protection Protection

Buyer deposits are held in neutral Swiss trade protection vaults and only released upon certified Bill of Lading (B/L) and SGS pre-shipment sign-off.

Factory On-Site Audits

Every Gold and VIP supplier undergoes strict legal KYC registration, environmental compliance, and physical manufacturing capacity verification.

Dedicated Trade Managers

Human-to-Human (H2H) trade specialists assist with Incoterms 2020 compliance, sea freight container booking, and customs clearance mediation.
